Examiner Cooley:

Mr. Johnson and I thank you for taking time out of your schedule to conduct a telephone conference on July 12, 2007. Further to the After-Final Amendment filed on July 13, 2007, and the Interview Summary of July 16, 2007, we agree with your Interview Summary that agreement has been reached on the pending claims by Applicant amending claims 15-18 consistent with the Examiner's comments and addressing antecedent errors. Accordingly, Applicant relied on this agreement, which placed the above Application in condition for allowance, and thus Applicant did not file either an RCE or Notice of Appeal to extend prosecution.

Further to the interview, should the Examiner find the application to be other than in condition for allowance subsequent to the Interview, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary.

Respectfully submitted,
